Health Nugget

Eating slowly may help trigger feelings of fullness before you over eat.

Making Room

One of the exciting things to experience over the past year is the **rapid growth of Central** in terms of attendance. Many new families are joining us every week! This rapid growth is awesome but it does pose a challenge when it comes to parking and seating in the main sanctuary. Please consider parking on a side street or in the back. This will make more room for our guests and visitors who often come late. The same holds for the sanctuary. Please consider giving up your nice pew and sitting on one of the side aisles. This will make it easier for our first-time guests and visitors to find a place to sit.

Volunteers Needed

Volunteers are needed in the church. We are in need of help with greeting, children's classes and PA. Have you found your place yet? Contact Pastor Mike to get involved!

Welcome to the Family!

Congratulations to Kris & Lisa Black on the birth of their new baby boy, Micah Andrew, who was born this past Wednesday. Welcome to the world Micah!

SAA School Survey

We are in the process of **gathering information** concerning our church school. Please be sure to turn in your school survey. This coming week is the last week to turn in the surveys. Thank you!
